THE RITUAL OF SAKURA

Celebrate each day as a new beginning

Inspired by the Japanese tradition of Hanami, The Ritual of Sakura inspires you to find the beauty in every moment. Celebrate each day as a new beginning with the delicate scent of cherry blossom and nourishing rice milk. Discover the collection and embrace every wonderful moment the wind blows your way.

CHERRY BLOSSOM

The fragile blossoms of the Sakura tree (Japanese cherry) are often described as spring snow by Japanese poets. For the Japanese, Cherry Blossom has symbolised the rebirth of nature and purity since ancient times. The delicate fragrance is wonderfully relaxing.

RICE MILK

Throughout Asia, rice is a symbol of abundance, happiness, and fertility. Rice Milk extract makes your skin soft and supple, and gives it a healthy glow.
